**SUBJECT:** Antidumping Duty and Countervailing Duty Orders on Aluminum Wire and Cable (AWC) from the People's Republic of China: Extension of Deadline for Scope Rulings on AWC Completed in Cambodia, the Republic of Korea, and the Socialist Republic of Vietnam

---

On October 11, 2023, the U.S. Department of Commerce (Commerce) initiated scope inquiries to determine whether AWC completed in Cambodia, the Republic of Korea (Korea), and the Socialist Republic of Vietnam (Vietnam), using AWC inputs manufactured in the People's Republic of China, are covered by the antidumping duty and countervailing duty orders on AWC from China.<sup>1</sup> Pursuant to 19 CFR 351.225(e)(1), the current deadline for Commerce to issue final scope rulings in these inquiries is July 12, 2024.

Commerce has determined that it requires additional time to adequately consider the responses to its Q&V Questionnaire and the comments submitted by interested parties. Therefore, in accordance with 19 CFR 351.225(e)(2), Commerce is extending the deadlines for issuing the final ruling in these scope inquiries by 12 days, until July 24, 2024.
